Reference: Amended September Monthly Report (8/1/02-8/31/02), dated 12/5/02

Dear Ms. Arnold:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your August Monthly Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 6(c), 7, 11(a)(iii), 11(d), 19, 20, 23, 29, 30, and 31, Column B of the Summary and Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report includes a Schedule H1 with section A (*Fixed Federal Percentage for National Party Committees*) checked. However, separate segregated funds that allocate should use section C (*Funds Expended for Separate Segregated Funds and Non-Connected Committees*). Further, Schedule H1 is used by committees that have established separate federal and non-federal accounts to allocate between its federal account and non-federal account all administrative expenses and generic voter drive costs 11 CFR §106.6. If your committee does not maintain a separate non-federal

account, then Schedule H1 does not need to be filed. Please amend your report with clarifying information.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
